Partner Meeting - Nov 11, 2024

Location & Attendees

- Location: Online, Discord
- Time: 5:00 pm
- Present: Terry, Jaeyong, Kevin, Danny, Sam, Daria, Morris, Sheldon Huang (Partner)
- Absent: None

Todo

- Give a thorough MVP demo to the partner (before D3 deadline Nov 12) and highlight any and all changes made since the last demo two weeks ago. Explain and show:
  - All subteam work on separate branches have been merged into main
  - Explore page
  - Migration of API to server side
  - Graph sharing feature and public link generation
  - Graph visualization improvement
  - Backend added for saving graph presets

Notes

- Partner is satisfied with progress made
- No major feedback. Will continue to communicate changes and questions via Discord server.

Next Meeting Details

- Likely in two weeks, to be discussed with the partner.
